

LINN VALLEY BULK DISPOSAL

OCT 29TH – NOV 4TH

Some items cannot be thrown away because they are too big to fit in the POA compactor. For one week, bulk item bins are being made available at the maintenance building. For those physically unable to bring bulk items to the collection bins, volunteers may be available at specific times for curb pick-up. The City of Linn Valley or the POA should be contacted for further information concerning the collection and drop off of bulk items.

Leave all items outside bins

Items that cannot be disposed of include:

- Tires
- Yard waste, brush, or leaves
- Building materials
- Tubs
- Hazardous, flammable or explosive materials
- Paint
- Electronics
